Payment or PO Number must be provided with the registration. Training costs for customers with open accounts will be billed once the class is confirmed to be held as scheduled.

Training costs are 100% refundable until the week prior to the class. 50% of the training costs are refundable until noon of the last Friday before the class is to be held. No refund of training cost is available if cancellation occurs after noon of the last Friday before the class is to be held.

Each participant will be responsible for the cost of travel, lodging, and meals. Please note that a rental car is recommended. A list of nearby hotels is available upon request.

To reserve your place, please FAX your registration to the number on the form or email your completed form to the email address given on the registration form.

Please be advised that class size is limited. All possible efforts will be made to accommodate those who desire to attend. Classes with fewer than 4 sign-ups may be cancelled. You will receive an email of either confirmation or cancellation with no less than 21 days advanced notice.

Do not make non-refundable travel arrangements until you receive confirmation that the desired class will be held as scheduled!

Please be advised, when classes end, traffic between the Yazaki office and the airports is typically quite congested and drive time to the airport could be an hour or more. It is, therefore, recommended that your return flights be scheduled after 7pm or on the next day.
